

BEMIS X CENTER

SOUND STUDIO EQUIPMENT INVENTORY LIST

Located in Bemis Center's lower level, the Sound Studio is a 1,000 square foot shared workspace for artists-in-residence. The workspace includes a Live Room for mixing and recording and a Live Room where artists can rehearse, experiment, and mic up instruments to be tracked into the Studio Room. The Live Room also serves as a rehearsal space where artists can set up multiple instruments to experiment or practice. The Sound Studio is equipped with a variety of instruments, amps, microphones, and digital hardware and software for recording and mixing.
